

An abstract geometric composition featuring a series of parallel, slightly curved diagonal lines in a light gray color. These lines are set against a dark gray background that contains a subtle, repeating hexagonal grid pattern. The lines appear to be part of a larger, three-dimensional structure, possibly a series of overlapping planes or a stylized architectural element. The overall effect is one of depth and modern, minimalist design.

Its concealed fixing system eliminates the need for exposed fasteners making its clean lines perfect for commercial, domestic and architectural applications.
